

VideoManager.Start

```
graph LR; A[VideoManager.Start] --> B[VideoManager.OnNewFrameIn Timeline];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'VideoManager.Start'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'VideoManager.OnNewFrameIn' on the top line and 'Timeline' on the bottom line.
