

Setup.Start

```
graph LR; A[Setup.Start] --> B[Setup.SetFramerateOnVREnable]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'Setup.Start'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'Setup.SetFramerateOnVREnable'.

Setup.SetFramerateOnVREnable
